A Showstopping Venue

Versatile Venue Layout

Our flexible venue layout allows for easy customisation to suit the specific requirements of your event. From stage setups to seating arrangements, we've got the versatility to make your vision a reality.

BaseStack Arena

A dynamic 150sqm 300 capacity show-stopping tournament, conference, corporate and exhibition event space. We can accommodate large crowds for major tournaments or provide an intimate setting for smaller events.

Streaming and Broadcasting

Take your event to the next level with our top-notch streaming and broadcasting capabilities. Share the excitement with a global audience through our high-quality production services.

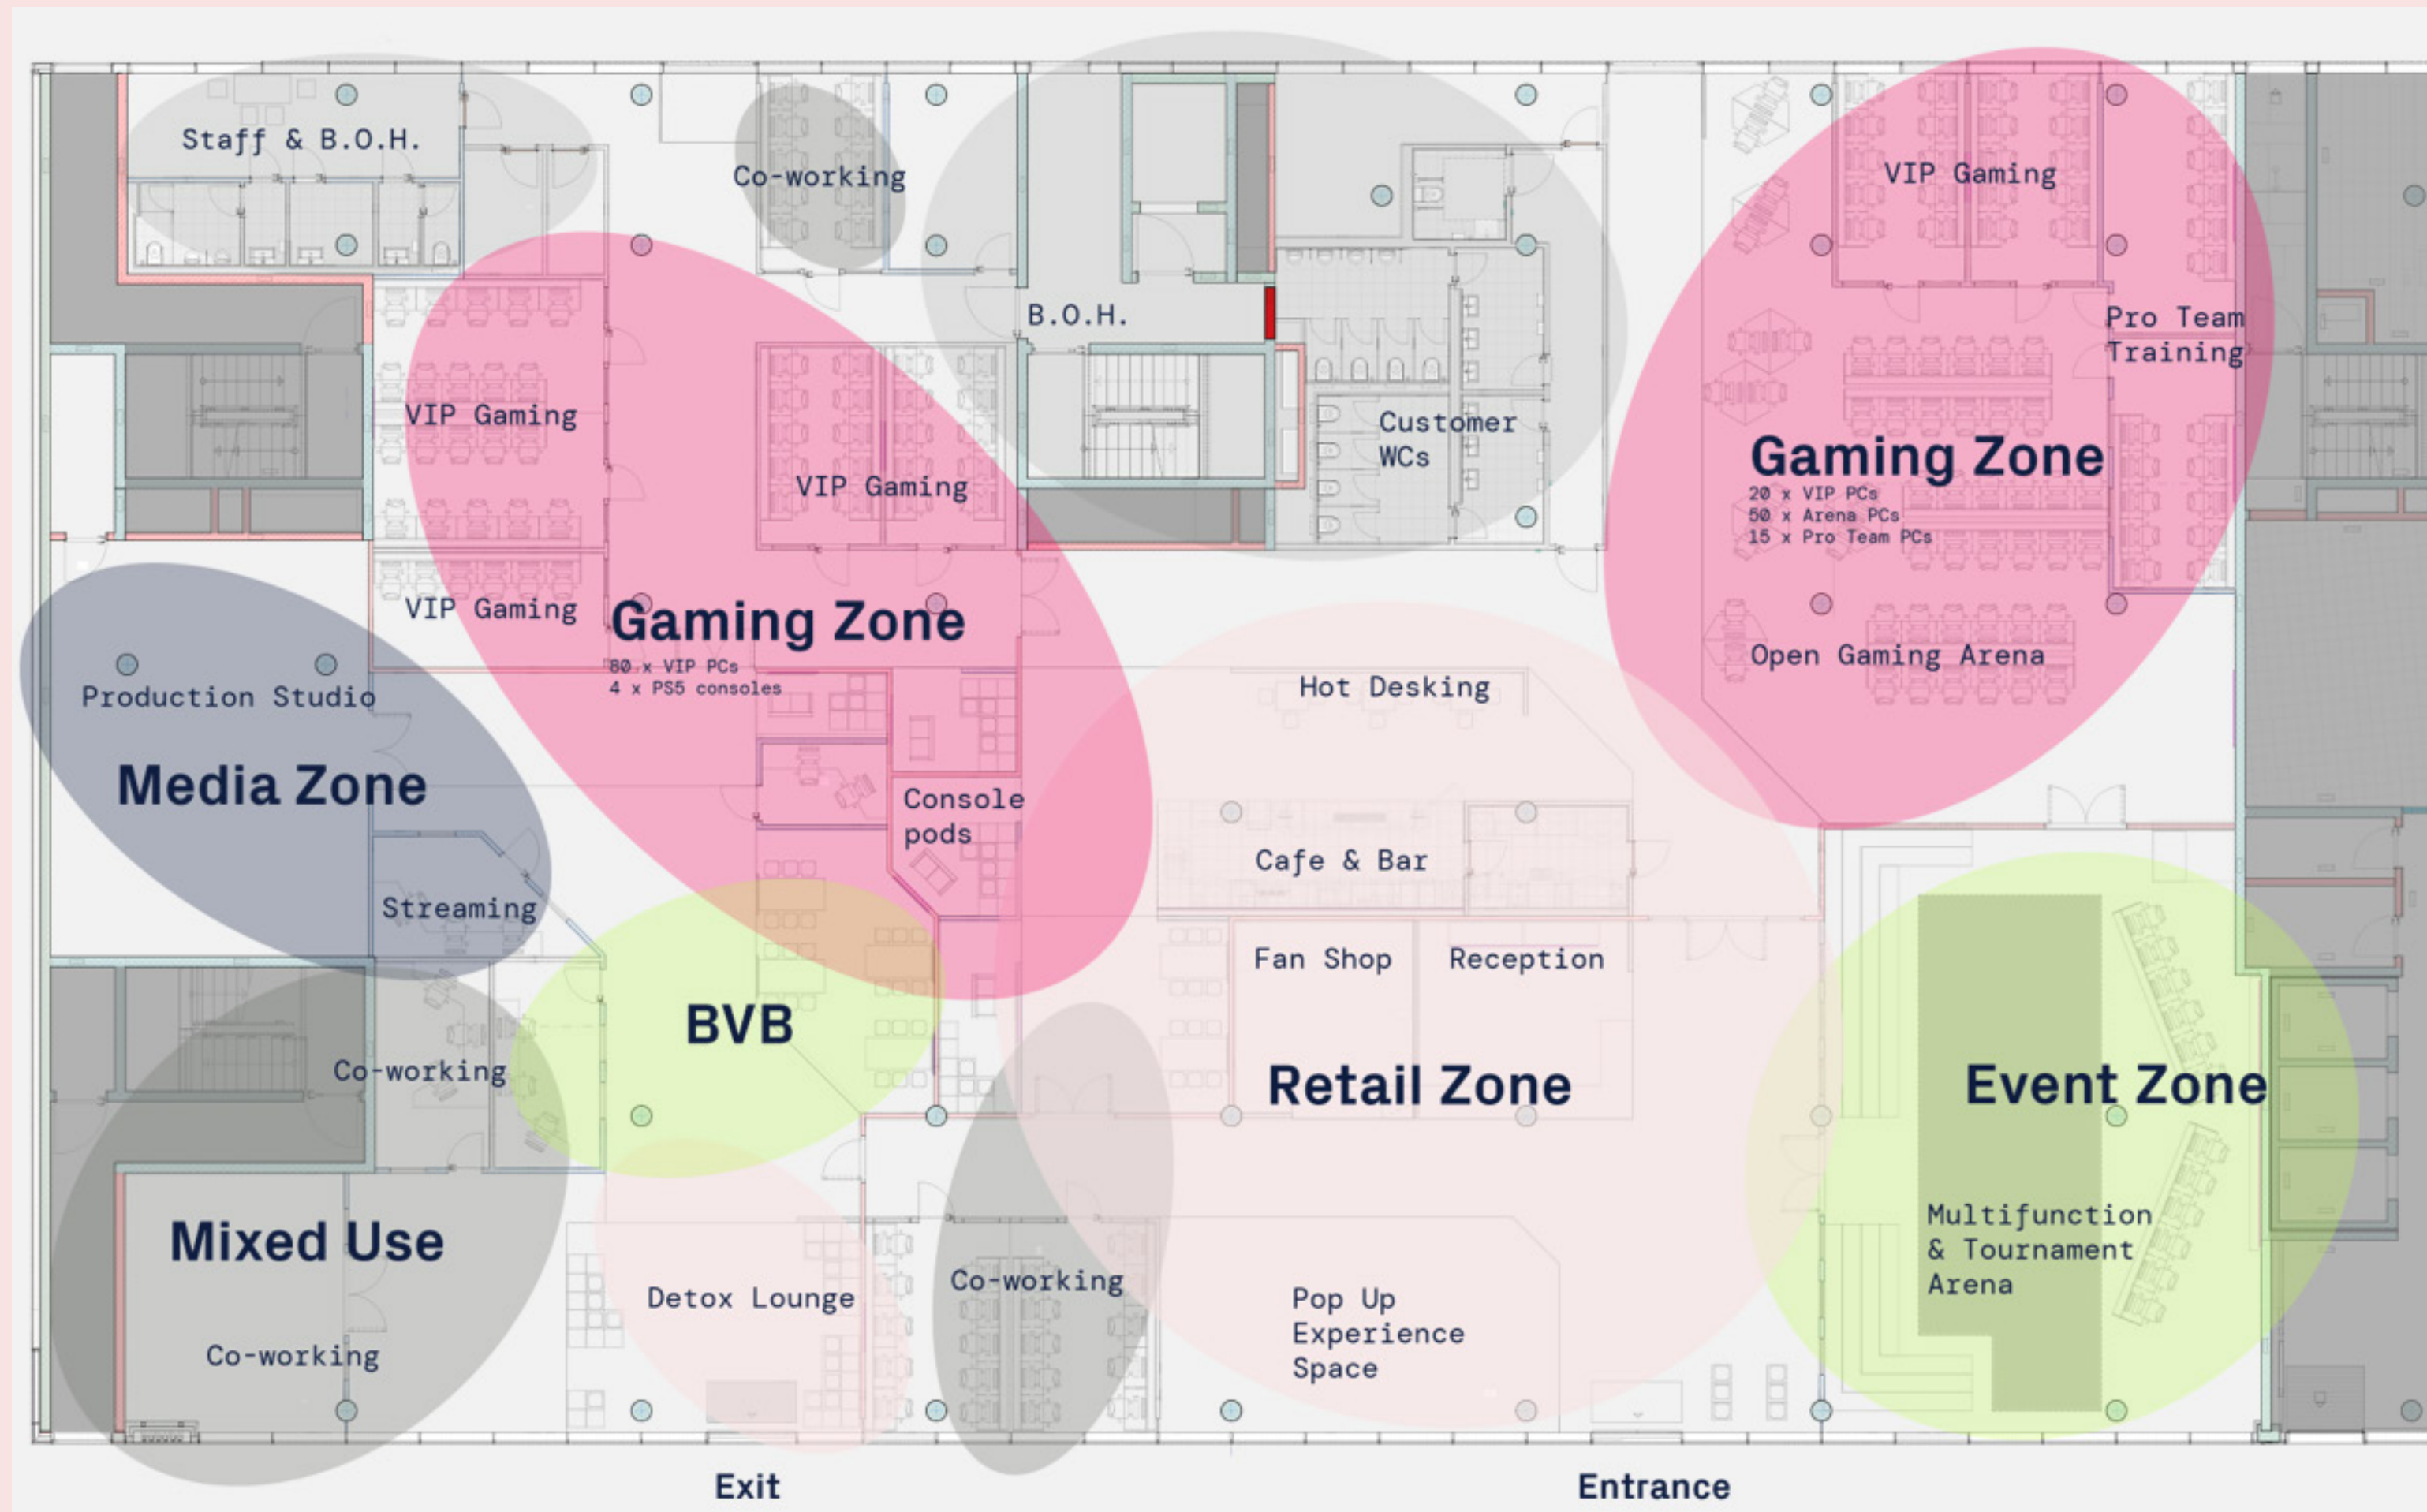

Café & Bar

Nestled in the heart of Dortmund, our Café and Bar is the ideal venue for any gathering. Offering delicious food and a vibrant bar atmosphere, complete with DJ and dance floor options, we're the perfect venue for your event.
