The Ultimate Bootcamp Venue

Bootcamp Venue

Spacious training facilities

With 1500sqm of dedicated training space, our venue offers ample room for a variety of activities. With fully air-conditioned private rooms, our flexible layout can accommodate all your training needs.

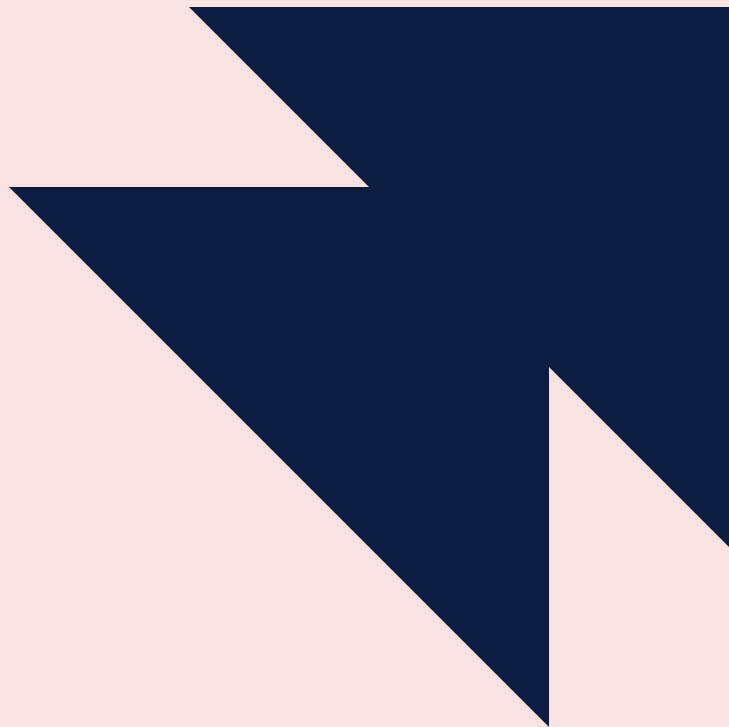

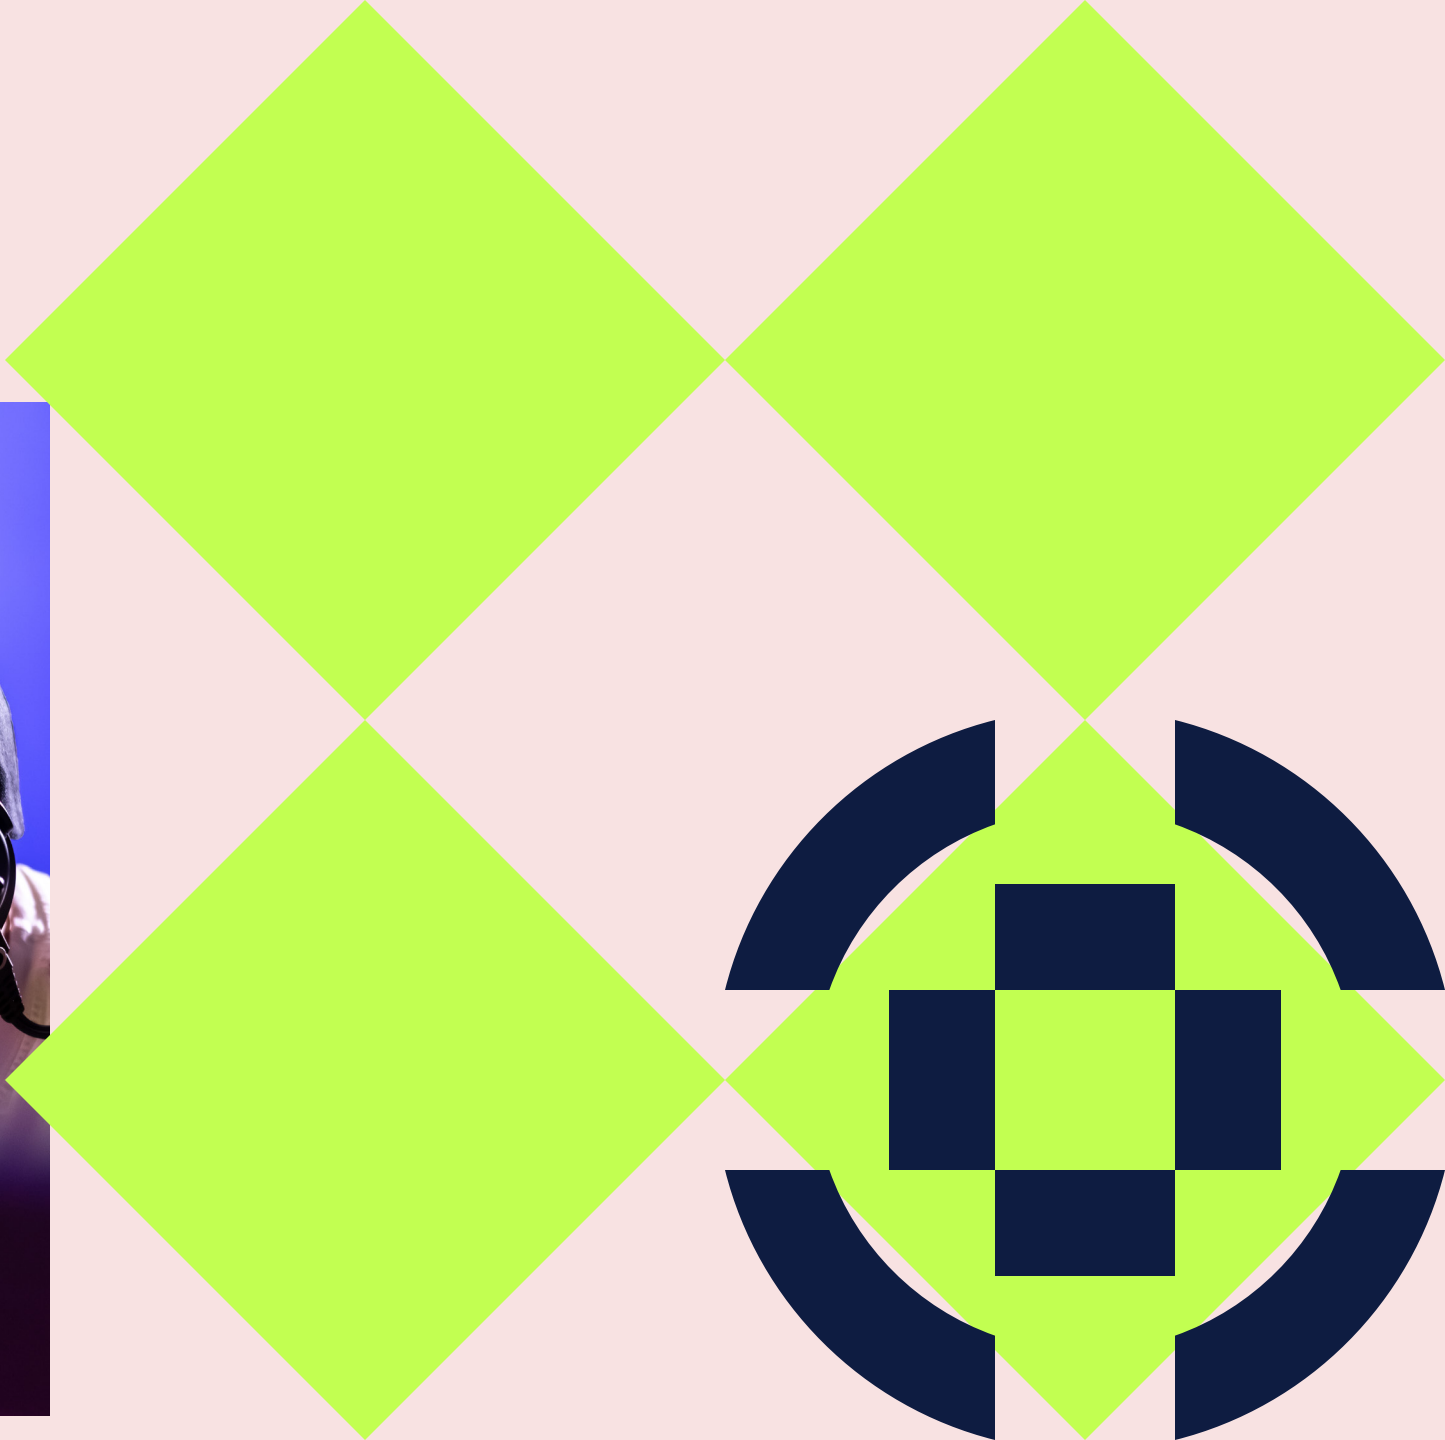

Bespoke training packages

We offer customisable packages to meet your budget and specific requirements. Whether you need a one-day intensive training session or a week-long bootcamp, we have flexible options to suit your needs.

Technical support

Our dedicated technical support team ensures that all equipment is set up and functioning properly, allowing you to focus on delivering an impactful training experience.

Bootcamp Venue

Nutritional menu

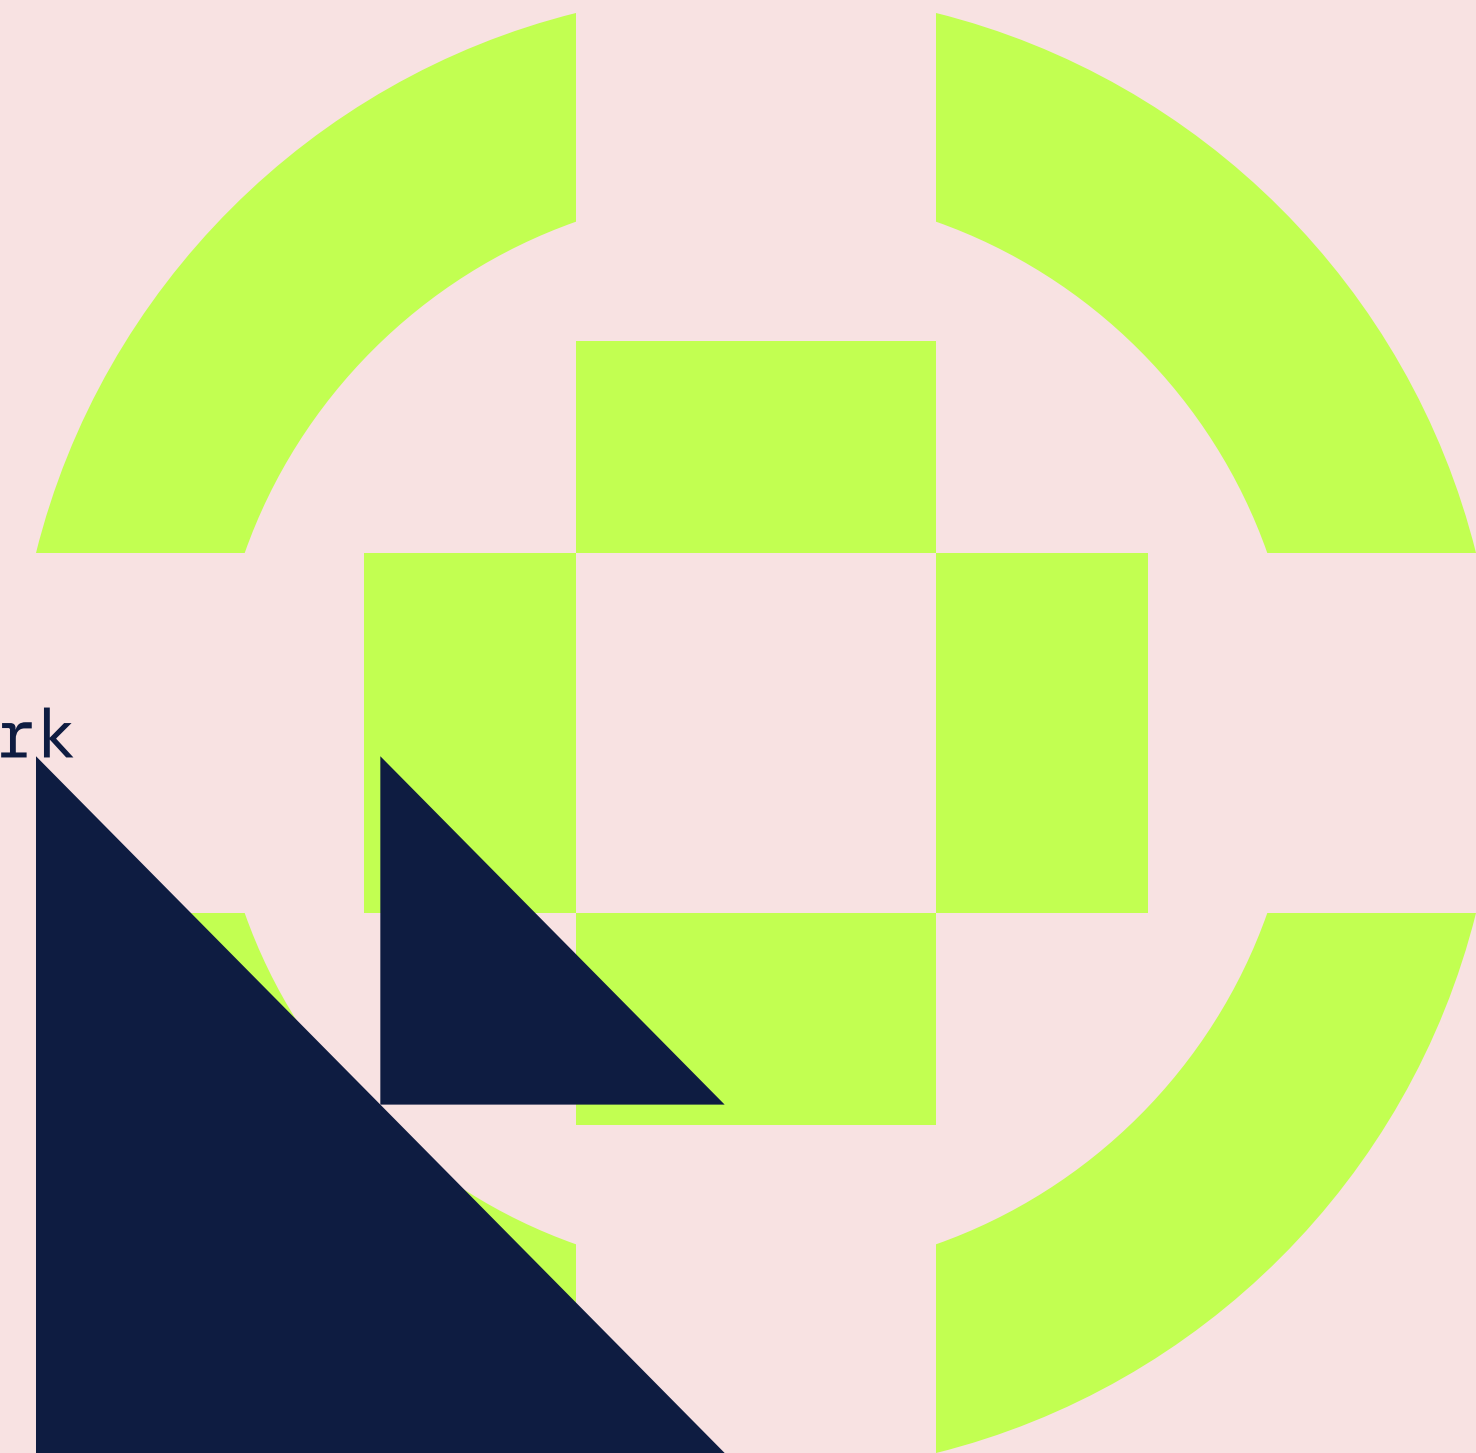

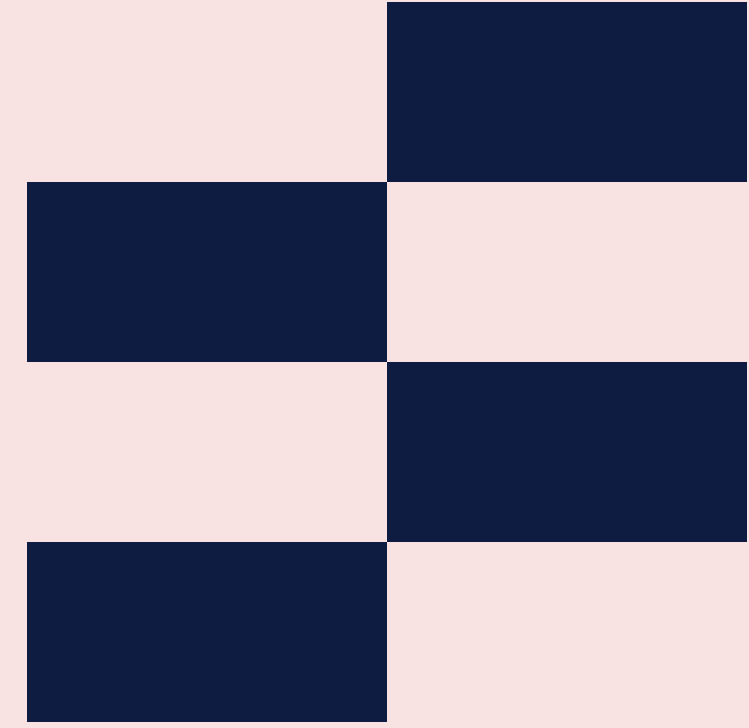

Keep your team energised with our catering services. Choose from a variety of healthy and customisable menu options to suit the needs of your program.

Accommodation & transfer

Our experienced team is here to assist you in organising a successful trip. With comfortable sleeping arrangements at Basecamp, we can help with scheduling and coordinating additional services to meet your specific requirements.

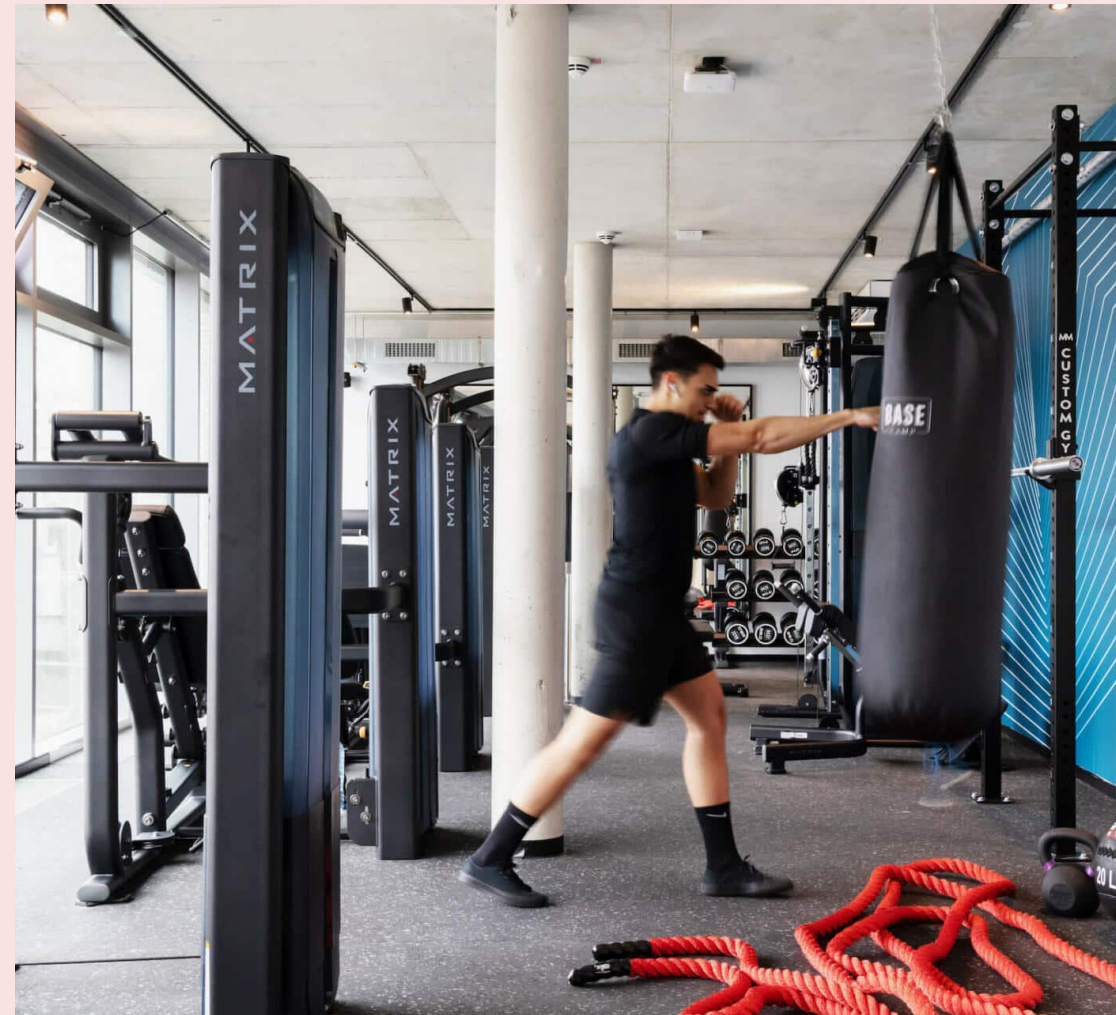

Detox Lounge

Recharge between intense training sessions, with comfortable seating, calming ambiance, and nutritious refreshments. The lounge fosters teamwork and mental rejuvenation, ensuring athletes are ready to excel in competitive gaming.

Accommodation Facilities

The hotel is conveniently located just steps away, or even a short elevator ride.

24/7 Gym

Enhance your reaction time and focus by training in our cutting-edge gym between strategy sessions.

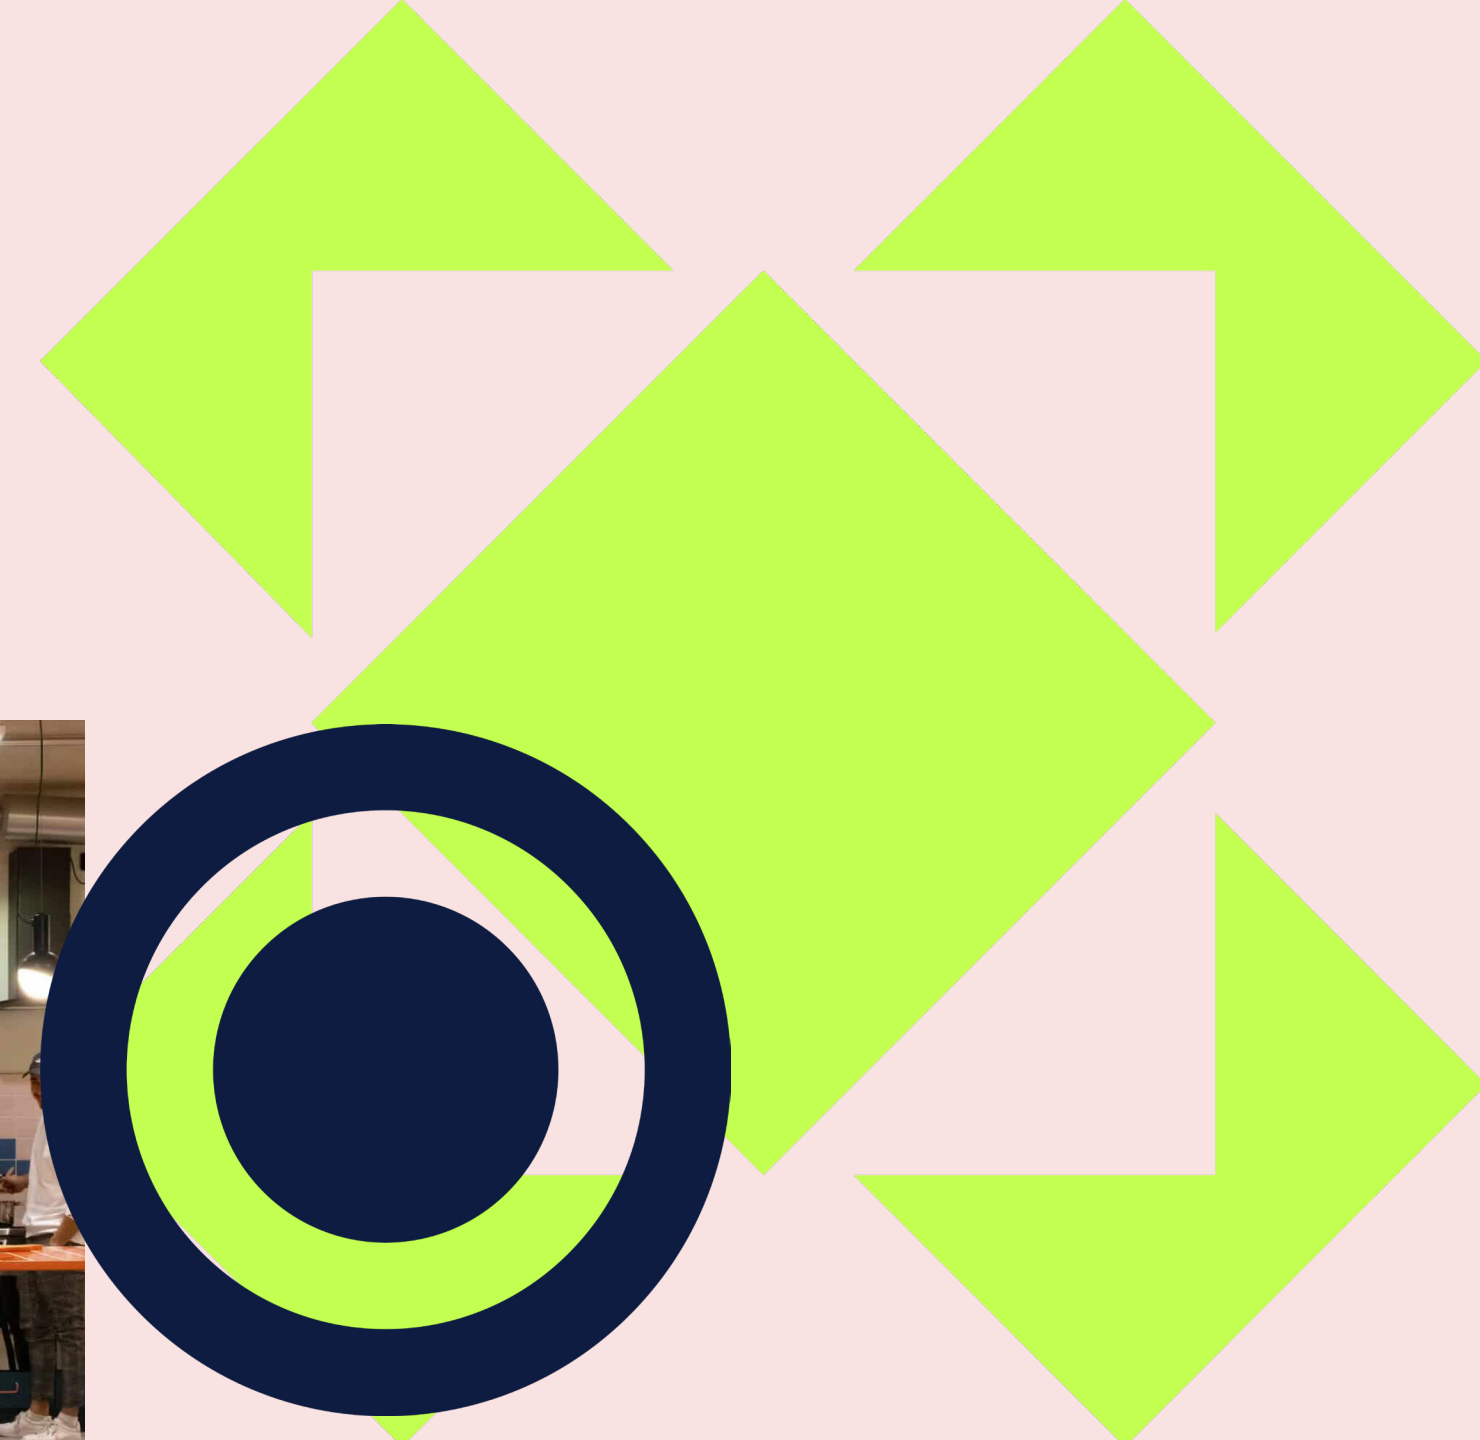

Cinema

After a long day of training sit back, relax and watch a film with your team mates on the big screen.

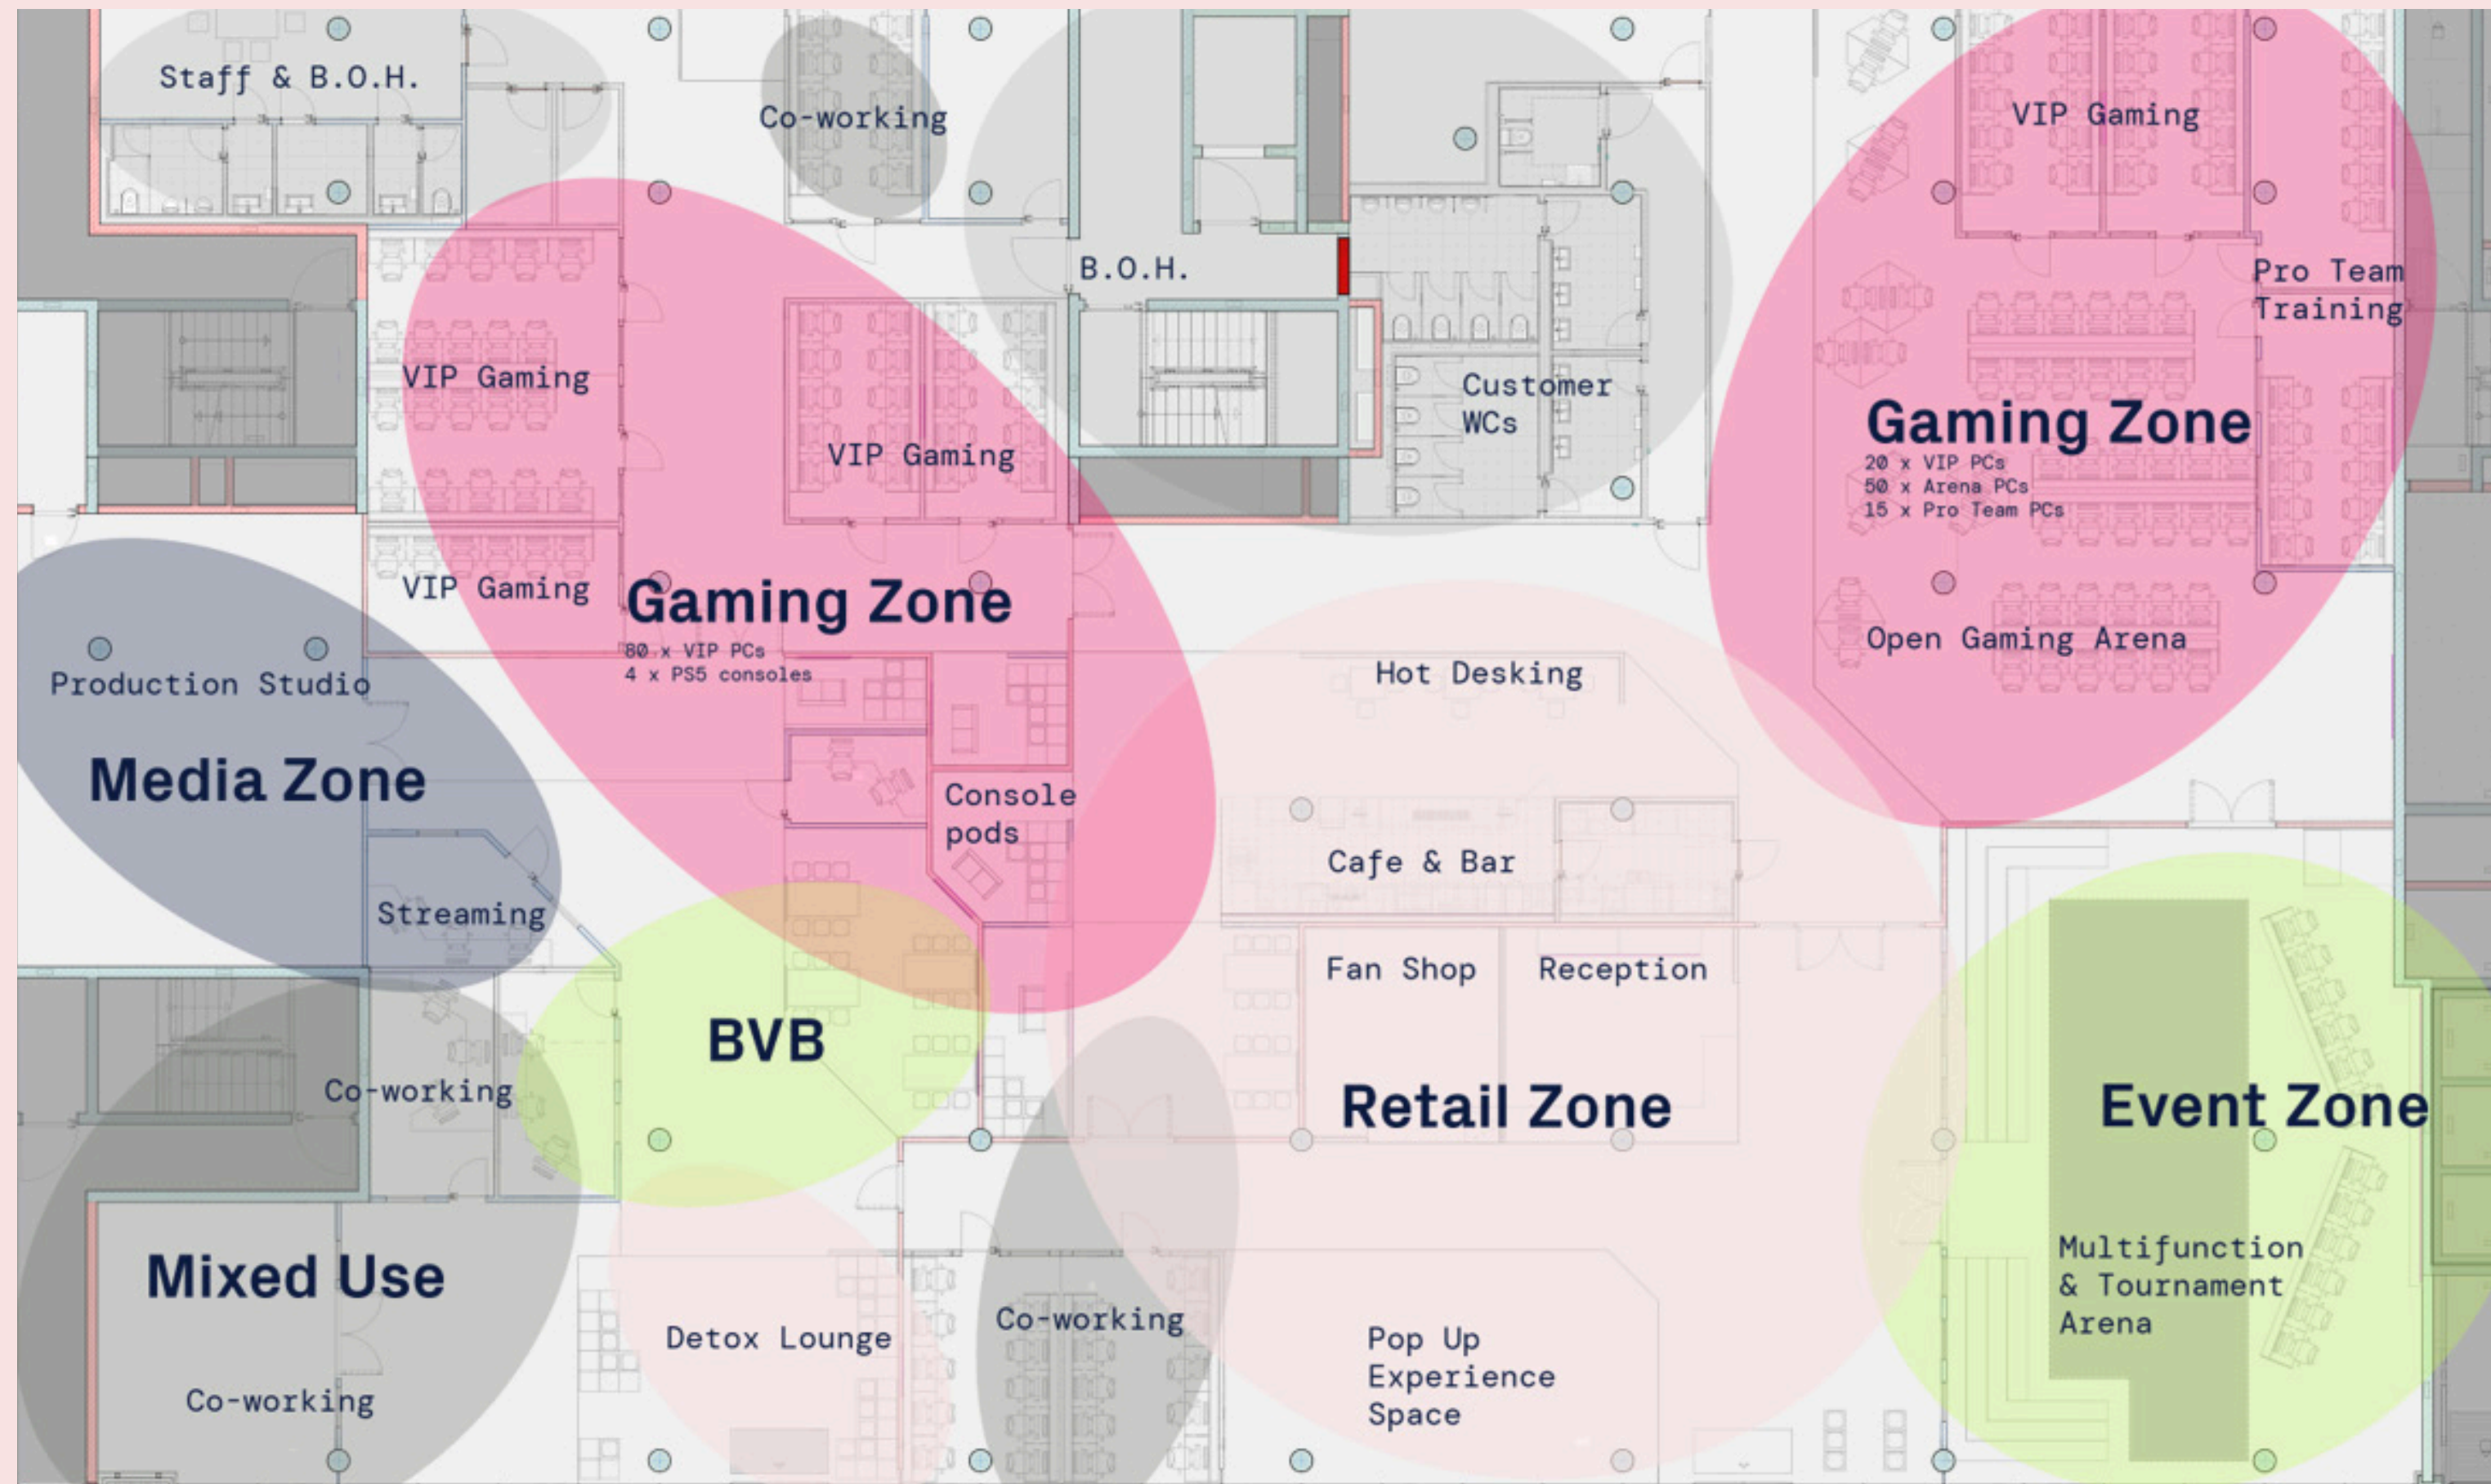

Private Kitchen

Enjoy your exclusive area for dining, socialising, and bonding with your team. Take a break from training to relax and rejuvenate.

Venue Layout

Strategically zoned layout designed to maximise versatility and audience diversity.
